

## **Front Runner / NEFMA Tournament Series Championship**

### **\$50,000 Grand Prize**

- Participating boats are required to be a NEFMA General Member - All members are automatically entered.
- Participating boats are required to fish four (4) of five (5) qualifying tournaments. Winner is determined based on accumulated points (see scoring outline below).
- Standings are determined using only NEFMA boats in each Tournament. Example: A non-NEFMA boat wins 1st place in the tournament, but a NEFMA boat places 2nd, the NEFMA will be awarded 1<sup>st</sup> place TSC Points.
- These points only count towards the Tournament Series Championship and have no impact to any other NEFMA awards.
- In the case of a tie at the end of the tournament year, the winner will be determined by whoever placed higher in the earliest tournament. If a tie still stands, it will go by who placed higher in the second tournament and so on.
